00046006	8712602003571	Drum	30 ltr.	350x250x411 mm. (wxdxh).	1:85

### Technical information

Appearance:	Liquid
Colour:	Colourless
Odour:	No perfume. Characteristic smell
Specific mass (kg/l):	1.040

### Instructions for use

Before use, dilute Dreumex Eco Cleaner depending on the amount of dirt: 1:85. This is like a cap product per liter of water. Apply the solution with a sponge, cloth, brush or high pressure machine. If necessary, leave to work for a period of time. Wipe, rinse or spray with clean water. Empty container can be washed and treated as regular waste. pH: 11.3 (undiluted). For professional use only.
