## Hand cleanser Special EX

High performance solvent-free hand cleanser with micrograins. It provides increased cleaning power to make it suitable for medium to heavy soilings such as lubricants, diesel, brake fluid, cement, rust, etc. It is highly suitable for the automotive industry, construction, public works, metal industry and the transport industry.

The packaging is an easy to use 2,7 ltr. can with an integrated pump. The can has a handle and the pump can be locked again after use, which makes it portable and easy to move to locations where hands get dirty.
